Metropolitan Parks and Open Space Commission

Community Development Committee Meeting: Sept. 8, 2026 **For the Metropolitan Council:** Sept. 23, 2026

Business Item: 2026-141

Lake Rebecca Park Reserve, Park Acquisition Opportunity Fund Award (Shoberg), Three Rivers Park District

Proposed Action

That the Metropolitan Council:

1. Approve a grant of up to \$376,650 from the Park Acquisition Opportunity Fund to Three Rivers Park District to reimburse for the acquisition of a 1.27-acre parcel located at 8370 Rebecca Park Trail in Greenfield, MN, for the Lake Rebecca Park Reserve.
2. Authorize the Executive Director of Community Development to execute the grant agreement and restrictive covenant on behalf of the Council.

Summary of Metropolitan Parks and Open Space Commission Discussion

Jessica Lee presented the staff report to the Metropolitan Parks and Open Space Commission on September 3, 2026. Ann Rexine from Three Rivers Park District was also in attendance.

Chair Tony Yarusso asked how this reimbursement is different than the reimbursement process the Council practiced before. Lee responded that the Council is able to reimburse if it occurs within a year. Council Member and MPSOC Liaison Wendy Wulff further clarified that the previous practice of Future Reimbursement Consideration used Council bonds, whereas this is a different type of request for the Park Acquisition Opportunity Fund program.

Motion by Commissioner Makiza Johnson, seconded by Commissioner Chris Suerig, the Commission voted unanimously to pass the proposed action.

Background

Regional Park Implementing Agency and Project Request

Three Rivers Park District requested a Park Acquisition Opportunity Fund (PAOF) grant on May 8, 2026, to fund the acquisition of approximately 1.27 acres for the Lake Rebecca Park Reserve. A copy of the Agency's request is attached to this item as Exhibit 2, with application details in Exhibit 3.

Lake Rebecca Park Reserve is located on the western edge of Hennepin County along the Crow River and located in the communities of Greenfield and Independence (see Exhibit 1, Figures 1, 2, and 3). This park reserve features Lake Rebecca, wetlands, and vast expanses of the Big Woods landscape, creating an area of high-quality habitat and recreational opportunities such as fishing, hiking, biking, and more.

Subject Property

The subject property is within the boundary of Lake Rebecca Park Reserve and is surrounded by Lake Rebecca on three sides and the Crow River on the north side, with 190 feet of shoreline (see Exhibit 1, Figure 4). The property contains a mix of mowed grass and deciduous tree cover. The subject property contains a single-family home that will be used by the City of Rockford's fire department to conduct a practice burn. After demolition, the site will be cleaned up and seeded with a native seed mix.

Park Acquisition Opportunity Fund (PAOF)

The Council's Park Acquisition Opportunity Fund (PAOF) Program provides funding to purchase property and easements via two state sources: the Parks and Trails Legacy Fund (PTLF) and the Environment and Natural Resources Trust Fund (ENRTF). The Council contributes by matching every \$3 in state funds with \$2 in Council funds. The \$3 to \$2 match is required at the program level, not the individual project level.

State and Council funds contribute up to 75% of the purchase price and eligible costs; the Regional Park Implementing Agency (Agency) contributes the remaining 25% as local match.

Project Budget

The appraised value of the subject property is \$400,000 and the seller has agreed to that amount. See Exhibit 4 for more information on the appraisal. The total project cost including legal fees, environmental assessments, stewardship, taxes, and appraisal is \$502,200 as shown in Table 1 below.

Table 1. Project Budget

Budget item	Requested amount
Purchase price	\$400,000
Appraisal, legal fees, taxes, closing costs	\$22,200
Land stewardship	\$80,000
Total Costs	\$502,200
Grant structure	
Grant amount	\$376,650
Local match	\$125,550

Acquisition Details

This is a straightforward fee-title acquisition. Three Rivers acquired this property on April 15, 2026. Because they had already reached their annual cap limit for the PAOF program, they had asked the Council to consider approving this acquisition as a reimbursement grant. Council staff agreed this was a reasonable approach as long as the grant request was submitted for early FY2027 consideration, before any new requests.

Rationale

Council staff conduct the review of each PAOF request on a first-come-first-served basis under the following standards:

- the proposed acquisition complies with state statute and Council policy
- all necessary documentation for the acquisition is in place
- the appraisal is reasonable and appropriate

This acquisition is consistent with:

- The Parks and Trails Legacy Fund
- The *2050 Regional Parks and Trails Policy Plan*
 - Planning Policy Action 1 requires that before an Agency can receive a grant for

acquisition, the proposed project must be consistent with a Council-approved long-range plan. The Council approved the Lake Rebecca Park Reserve long-range plan in 1975 and Three Rivers Park District updated the plan in 1998. In February of 2026 council staff approved an administrative amendment to correct the park boundary to include parcels that had been in their “working” boundary for the last 20+ years. This subject parcel is included in the corrected boundary.

- Natural Systems and Policy Action 1 prioritizes the acquisition of lands with natural resource features, access to water, and/or restoration potential for the Regional Parks System. The subject property is bordered by Lake Rebecca Park Reserve on three sides and the Crow River to the north. The surrounding area is comprised of Big Woods landscape, wetlands, and wildlife habitat including areas important to the trumpeter swan.
- Finance Action 3 authorizes the use of PAOF as the funding mechanism for the acquisition of Regional Park and Trail lands and matching every \$3 in state funds with \$2 in Council bonds.

Imagine 2050 Lens Analysis

On February 12, 2025, the Council adopted Imagine 2050, which builds on the policy direction in Thrive MSP 2040. Under the Imagine lens, this request is consistent with the regional core value of Stewardship and the Regional Goal entitled, “We protect and restore natural systems”. The Council’s investment in Lake Rebecca Park Reserve will provide access to nature and the outdoors and enhance quality of life in the region.

Funding

Council will fund the 75% share with Parks and Trails Legacy Fund and Council funds. The PAOF program has available funds in the Council’s Authorized Capital Program.

Three Rivers Park District will provide a local match of \$125,550.

Background Summary

Three Rivers is pursuing acquisition of the Shoberg property surrounded on three sides by Lake Rebecca Park Reserve and the fourth being the Crow River. The Shoberg property is one of the remaining inholdings along the Crow River to complete the park reserve boundary. Acquisition of this property supports the long-term vision of Lake Rebecca by preserving and restoring the existing natural resources of the river landscape.

Regional Recreation & Natural Resource Summary

Jesse Winkler
Appointed
At Large

Lake Rebecca Park Reserve is a large, scenic park managed by Three Rivers Park District that offers a blend of natural beauty and year-round recreation. Centered around the 254-acre Lake Rebecca, the park features rolling Big Woods landscapes, wetlands, and wildlife habitat, including areas important to trumpeter swan restoration. Visitors enjoy miles of trails for hiking, biking, horseback riding, skiing, and snowshoeing, along with lake activities such as paddling, fishing and swimming at the seasonal beach. The park also includes picnic areas, group camps, and a nature-inspired playground, making it a valued destination for outdoor recreation, environmental stewardship, and family gatherings in the west metro area.

Boe Carlson
Superintendent

Natural Resource Summary

The proposed property is currently utilized as a single family residential homesite within the Pioneer-Sarah Creek Watershed Management Area. Its current land use is a mix of mowed grass and deciduous tree cover. The deciduous tree cover extends to/from the proposed property and is contiguous with Lake Rebecca Park Reserve tree cover. The long-range stewardship plan is to remove the residential home and associated outbuildings and restore to open space.

Funding Request

Three Rivers requests FY2026 Metropolitan Council acquisition funding consideration at the Council's earliest opportunity as the closing of the property occurred on April 22, 2026.

THIS PURCHASE AGREEMENT ("Agreement") is entered into by and between **Three Rivers Park District**, a public corporation and political subdivision of the State of Minnesota ("Buyer") and **Laurie Shoberg**, ("Seller").

RECITALS

WHEREAS, Buyer is a political subdivision of the State of Minnesota, whose primary duties are acquisition, development and maintenance of large parks, wildlife sanctuaries or other reservations, and means for public access to historic sites and to lakes, rivers and streams and to other natural phenomena, and to acquire, establish, operate and maintain trail systems; and

WHEREAS, Seller owns property located at 8370 Rebecca Park Trail, Greenfield, Minnesota, legally described on Exhibit A hereto ("Subject Property"), containing approximately 1.27 acres; and

WHEREAS, Seller and Buyer wish to enter into an agreement for the conveyance of the Subject Property from Seller to Buyer.

NOW THEREFORE, for and in consideration of the above premises and the promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Conveyance. Seller hereby agrees to convey to Buyer and Buyer agrees to accept from Seller the Subject Property together with all improvements and fixtures.

2. Consideration. In consideration of the conveyance, transfer and delivery by the Seller to the Buyer of the Subject Property, the Buyer shall pay to the Seller the sum of Four Hundred Thousand Dollars (\$400,000) ("Purchase Price") at Closing.

3. Deed/Marketable Title. Subject to performance by the Buyer, Seller agrees to execute and deliver a Warranty Deed in recordable form conveying marketable title to Subject Property subject only to the following exceptions:

Buyer shall pay its prorated portion of the real estate taxes from and after the date of Closing. Real estate taxes payable in the years prior to Closing shall be paid by Seller on or before the date of Closing. Real estate taxes payable in the years subsequent to Closing shall be paid by Buyer.
