

Business Item 2026-36

Intergovernmental Agreement with the Minnesota
Department of Transportation

Environment Committee: February 10, 2026

Tim Wedin

Project Area and Scope

Project Need

- MnDOT project to reconstruct Robert Street
- Repairs to Interceptor 1-SP-230 would impact the reconstructed street.
- Project coordination would improve the overall system, and limit neighborhood impacts.

Scope of Improvements

- Construct new interceptor at deeper elevation
- Construct new parallel local sewer
- Reestablish 50+ private service connections to new local sewer

Existing Conditions

Proposed Action

That the Metropolitan Council authorizes the Regional Administrator to negotiate and execute a Cooperative Construction Agreement with the Minnesota Department of Transportation (MnDOT) to replace the portion of interceptor 1-SP-230 that is within MnDOT's construction limits for the Highway 3/Robert Street reconstruction project, ES Project No. 809518, for an amount not to exceed \$13,000,000.
