Business Item 2026-94

Orono Interceptor 7113 Improvements, Contract 25P335

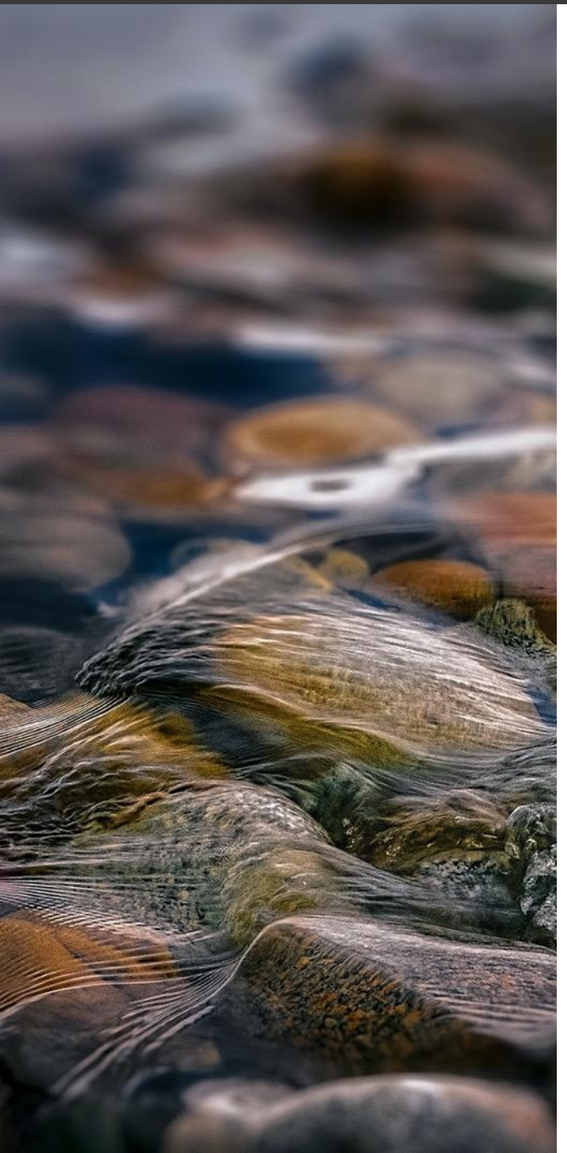
METROPOLITAN COUNCIL

Environment Committee: May 12, 2026

Dan Fick

Project Area

Project Summary

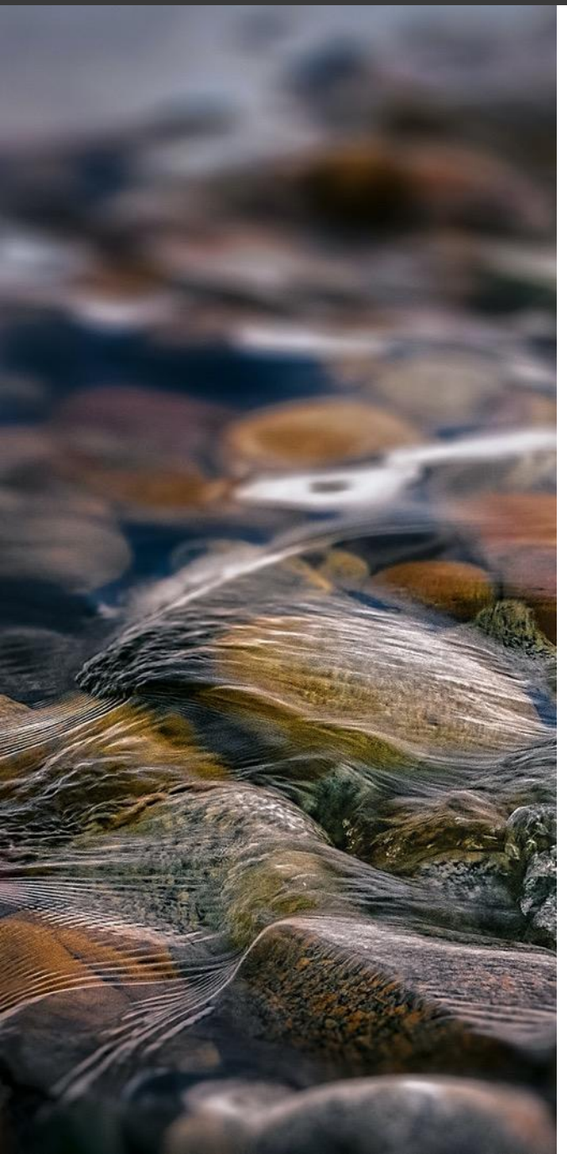


The 7113 forcemain was built in 1979 and serves Lift Station L59. Due to age, pipe condition, and volume of existing flow, a redundant forcemain is needed.

Project Improvements

- Construct a full-length, fully redundant forcemain
- Interconnect structure between the two forcemains
- New meters for both forcemains

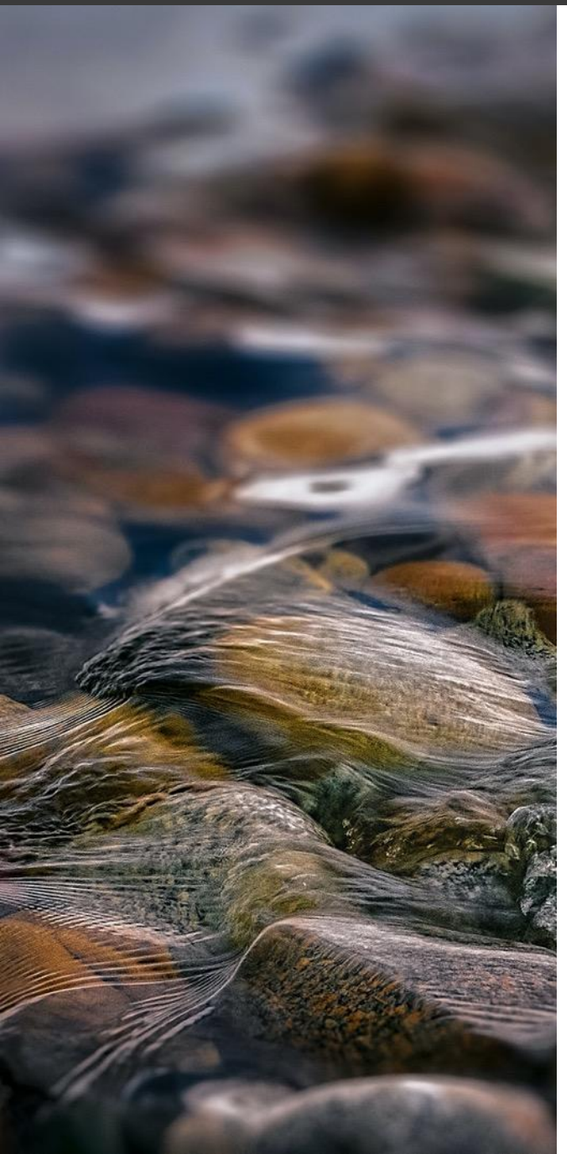
Project Summary



Project Drivers

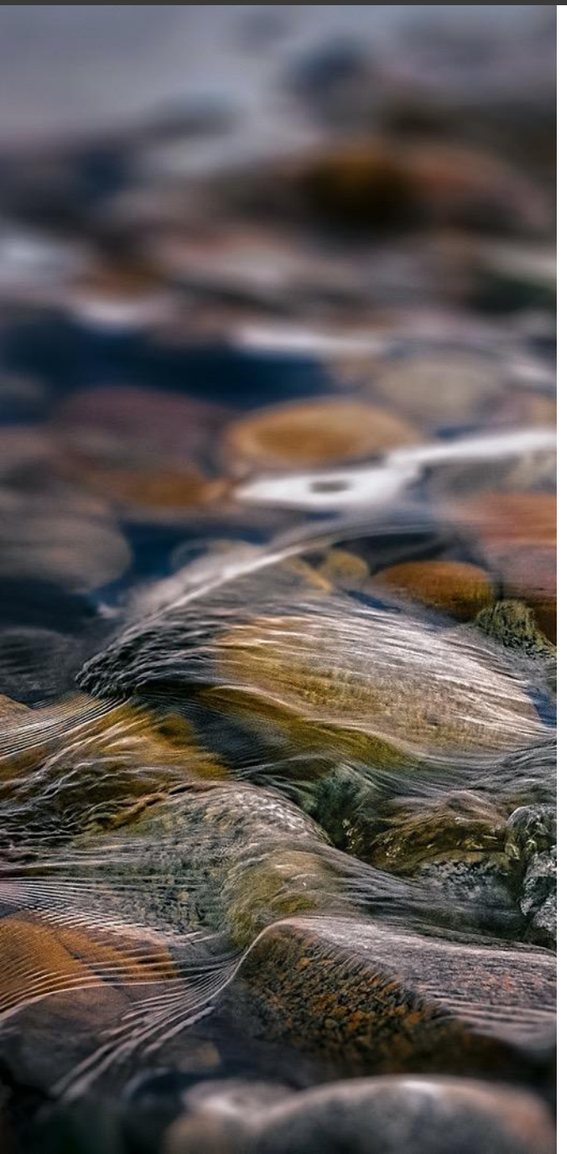
- Renewal of aging infrastructure
- Operational flexibility
- Operational efficiency

Project Schedule



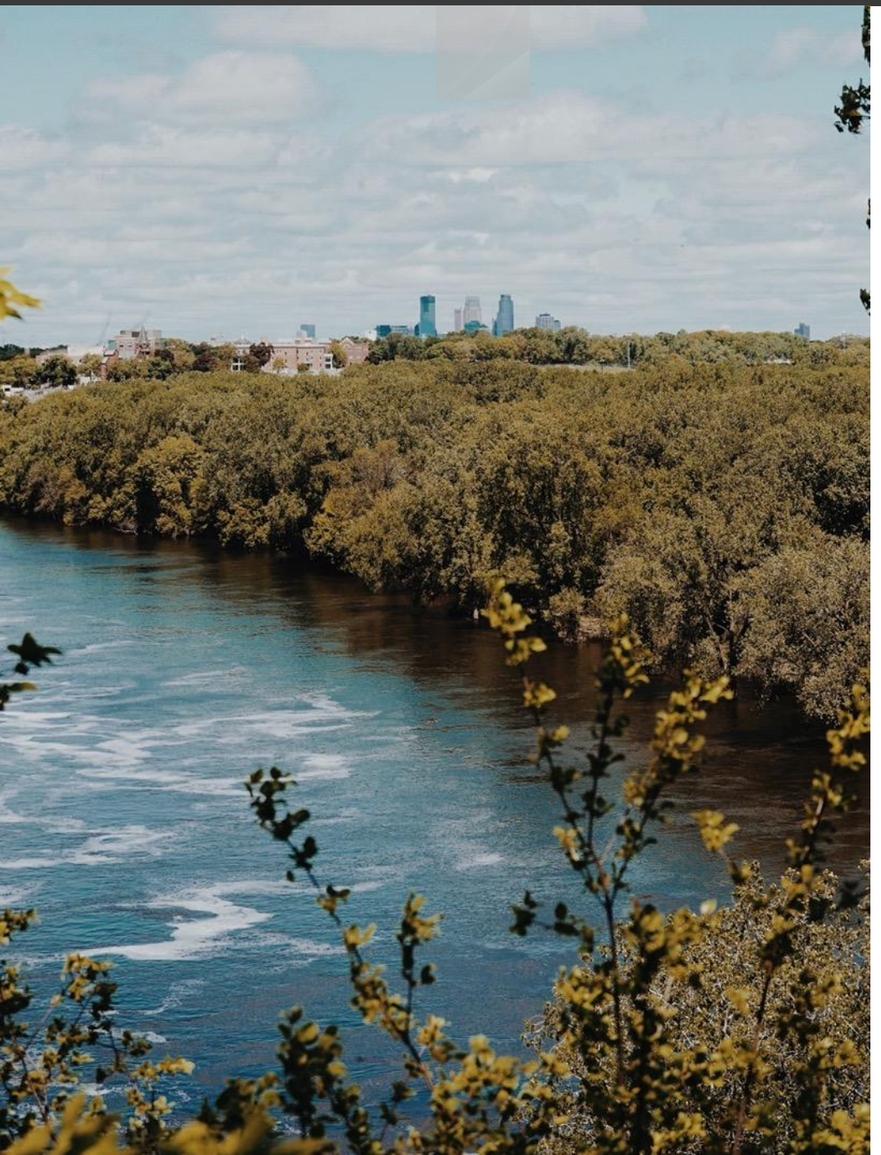
Milestone	Date
Bidding	April 14, 2026
Award Contract	May 2026
Contractor Notice to Proceed	Summer 2026
Construction Start	Fall 2026
Substantial completion	Summer 2028
Final Completion	Fall 2028

Bid Summary



- Three bids received with amounts ranging between $25,657,165.46 and $26,590,716.20.
- Meyer Contracting Inc.
  - Low, responsive and responsible bid $25,657,165.46
  - Since there were no goals assigned to this project, no Office of Equal Opportunity (OEEO) review was performed.

Proposed Action



That the Metropolitan Council authorize its Regional Administrator to award and execute contract 25P335 with Meyer Contracting Inc. for the construction of the Orono Interceptor 7113 Improvements in an amount not to exceed $25,657,165.46.
