

# Business Item: 2026-175

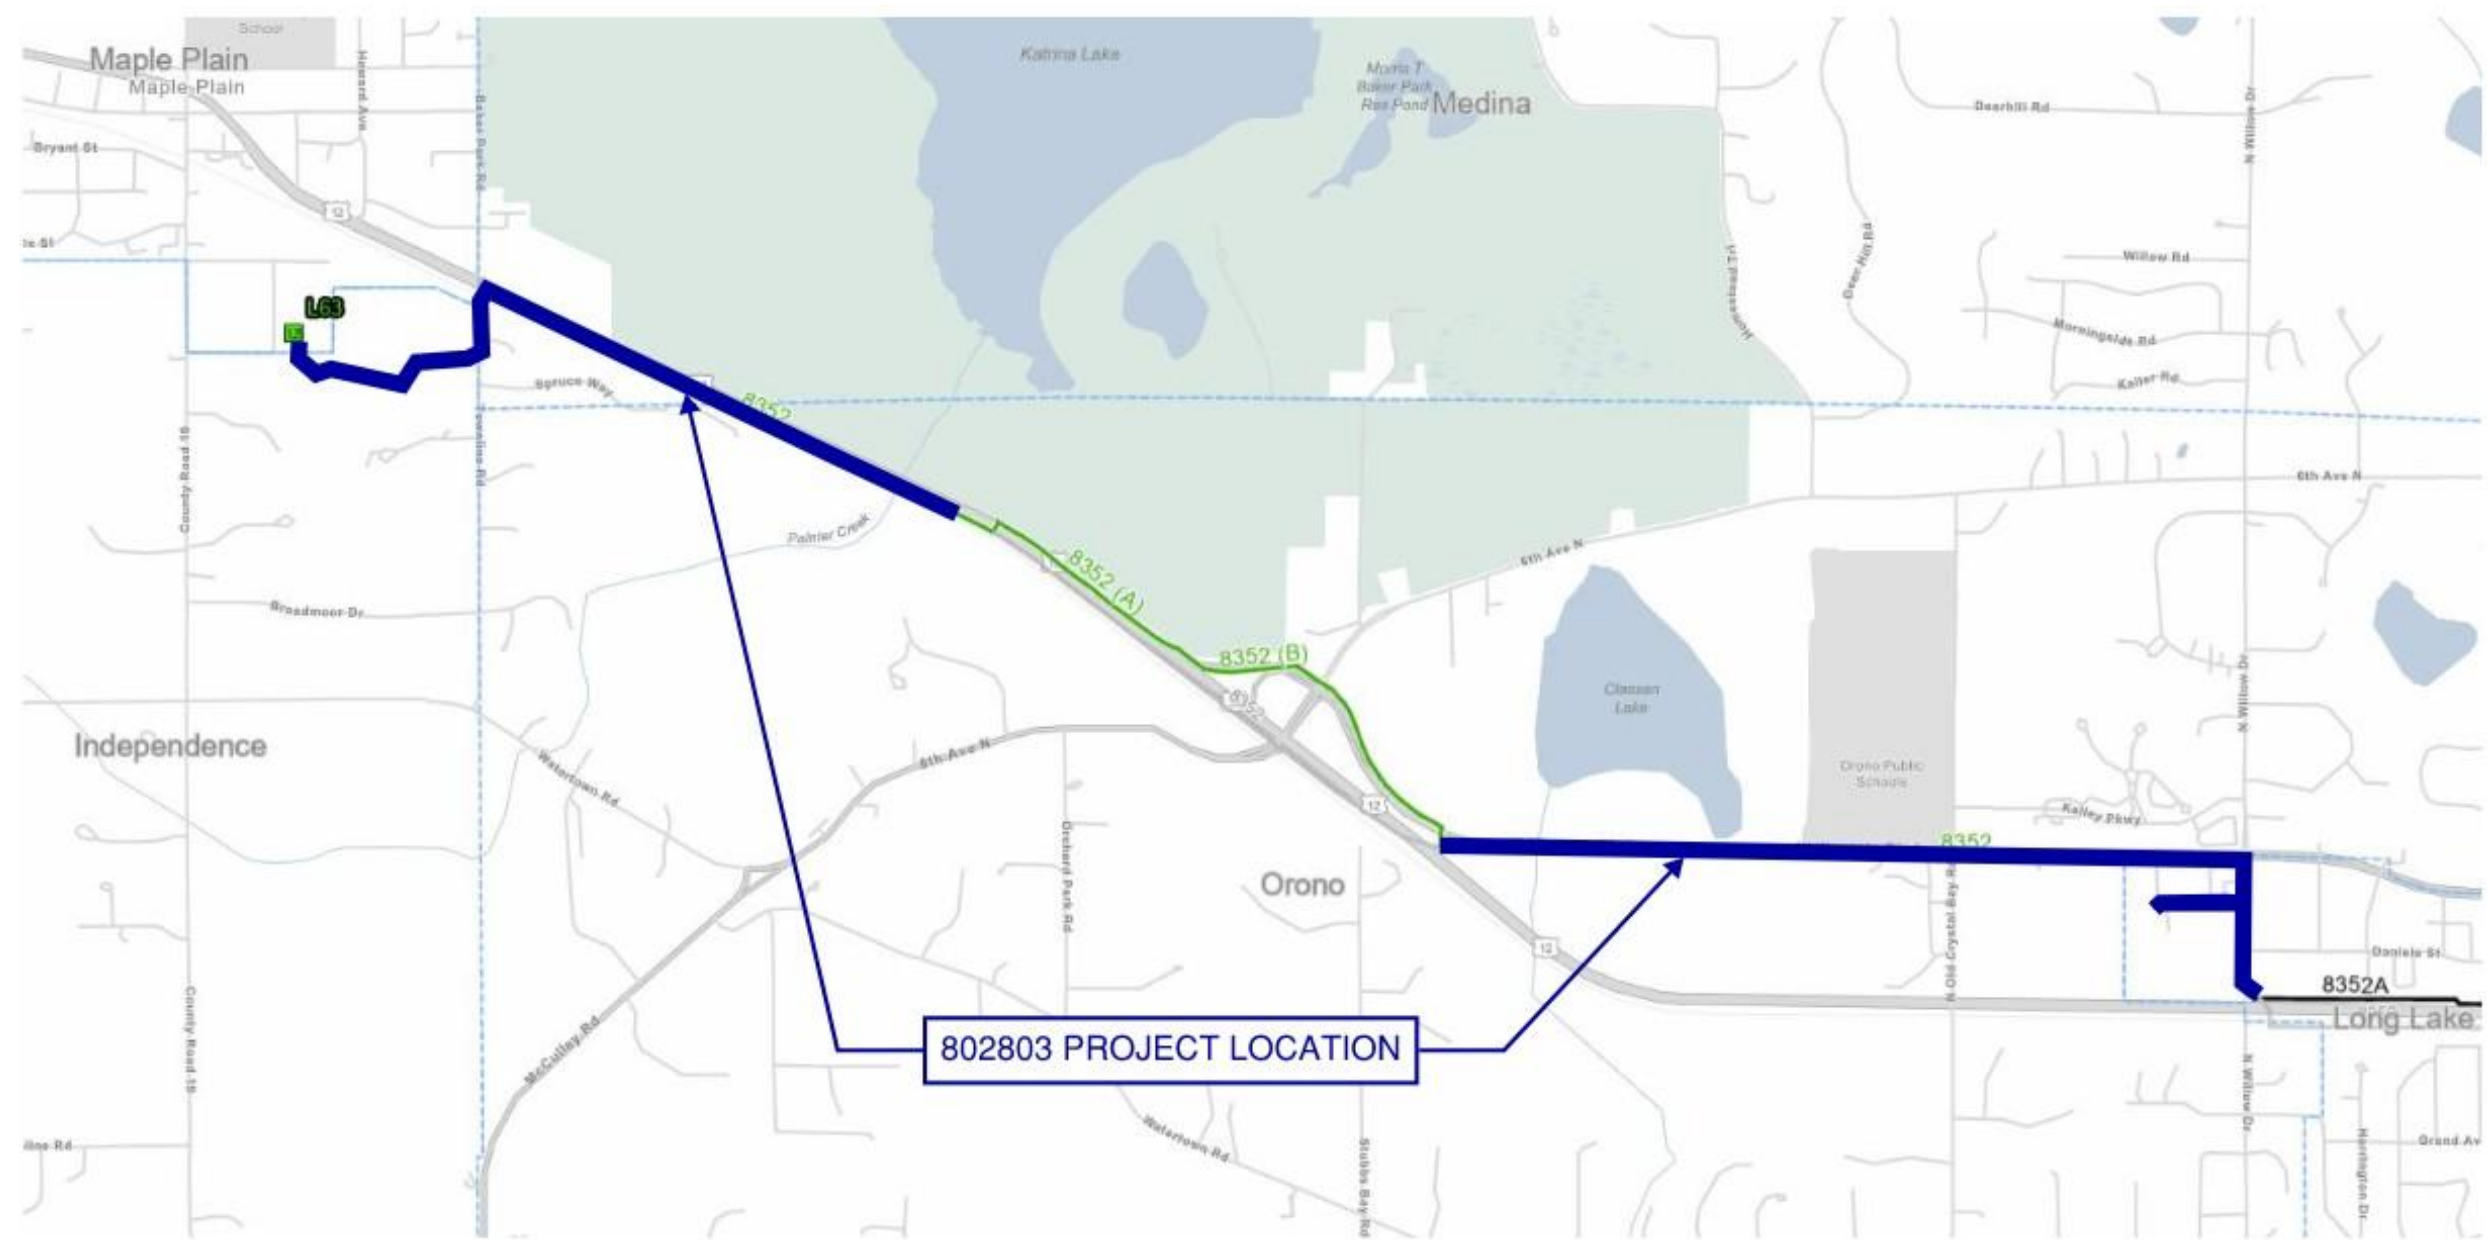

Authorization to Hold Public Hearing on Draft Facility Plan  
for the Maple Plain 8352 Forcemain Improvements,  
Project Number 802803

Environment Committee: September 22, 2026

Chris Remus

# Project Location Map

# Improvements Required

Project improvements are required to maintain and improve the regional wastewater conveyance system; maintain system capacity and improve system reliability. The improvements that are planned include:

- Installation of approximately 7,100 L.F. of 16-inch pipe in the west segment
- Installation of approximately 8,400 L.F. of 16-inch pipe in the east segment

Funding for design and construction has been planned for in the 2026 Capital Program

# Next Steps

Tentative dates for the Facility Plan public hearing process (subject to change):

- October 14, 2026: Authorization granted from Metropolitan Council to hold public hearing
- November 30, 2026 (or later): Public Hearing
- January 27, 2027: Metropolitan Council considers comments and adopts final Facility Plan
- February 2027: Submittal to Public Facilities Authority and MPCA for inclusion in the Intended Use Plan

# Proposed Action

That the Metropolitan Council authorize a public hearing to gather input on the draft Facility Plan for the Maple Plain 8352 Forcemain Improvements, Project Number 802803.
