

Bylaws Revision

Background

Changes since bylaws were last amended in 2016

- New membership
- More mature connections between MAWSAC and TAC
- Persistent questions around remote meetings, others

Purpose

Comprehensive review and revision of bylaws to:

- Improve the ability of the bylaws to speak to different situations where guidance has been missing or ambiguous
- Clarify similarities and differences between MAWSAC and TAC
- Clarify several elements pertaining to members, including:
 - Appointments
 - Term length
 - End of term scenarios
- Allow for more realistic quorum
- Increase consistency with other Met Council advisory committee bylaws

Proposed Action

Metropolitan Area Water Supply Advisory Committee (MAWSAC) adopts the revised bylaws for the operation of MAWSAC and their technical advisory committee (TAC).
