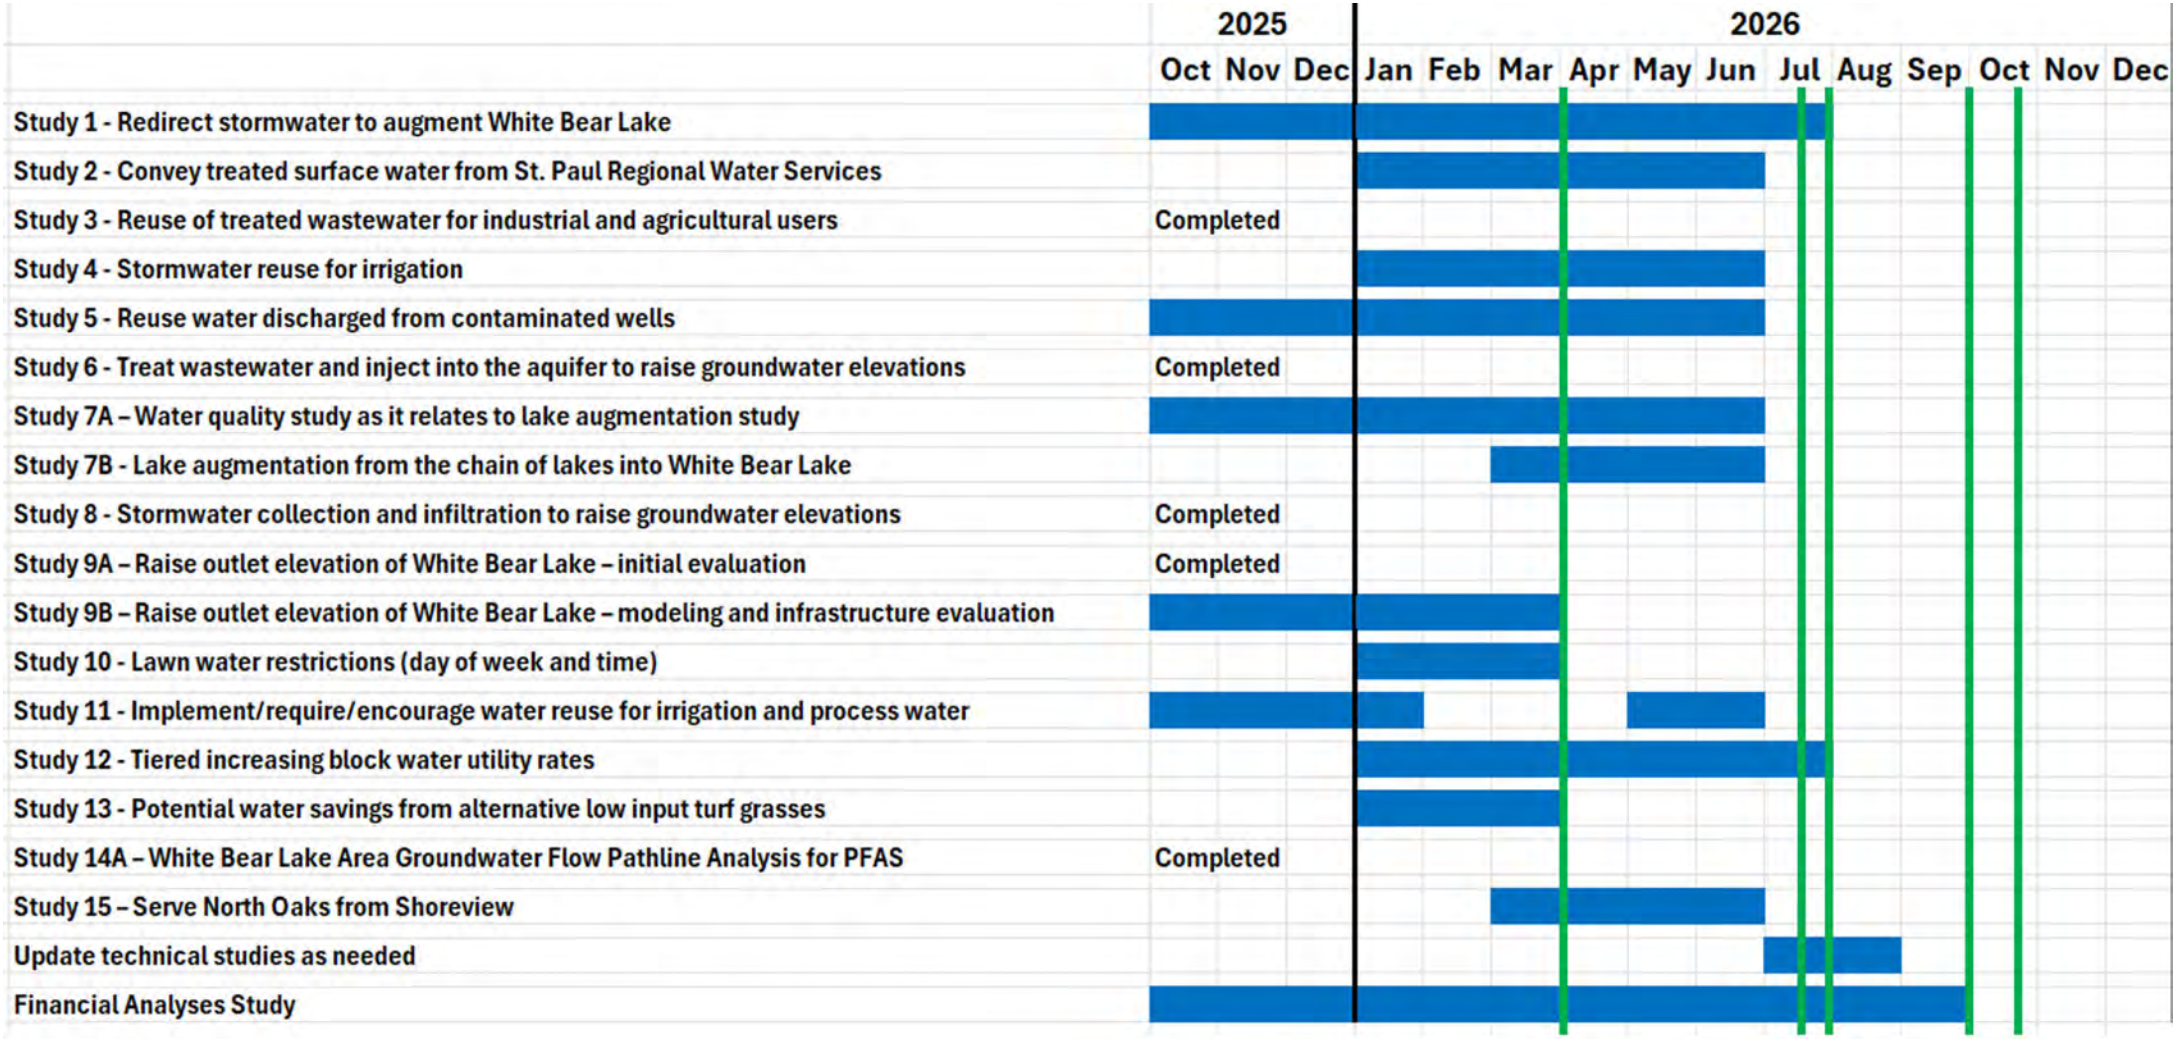
Project schedule and preliminary screening survey

METROPOLITAN COUNCIL

Greg Johnson, July 16, 2026 metrocouncil.org

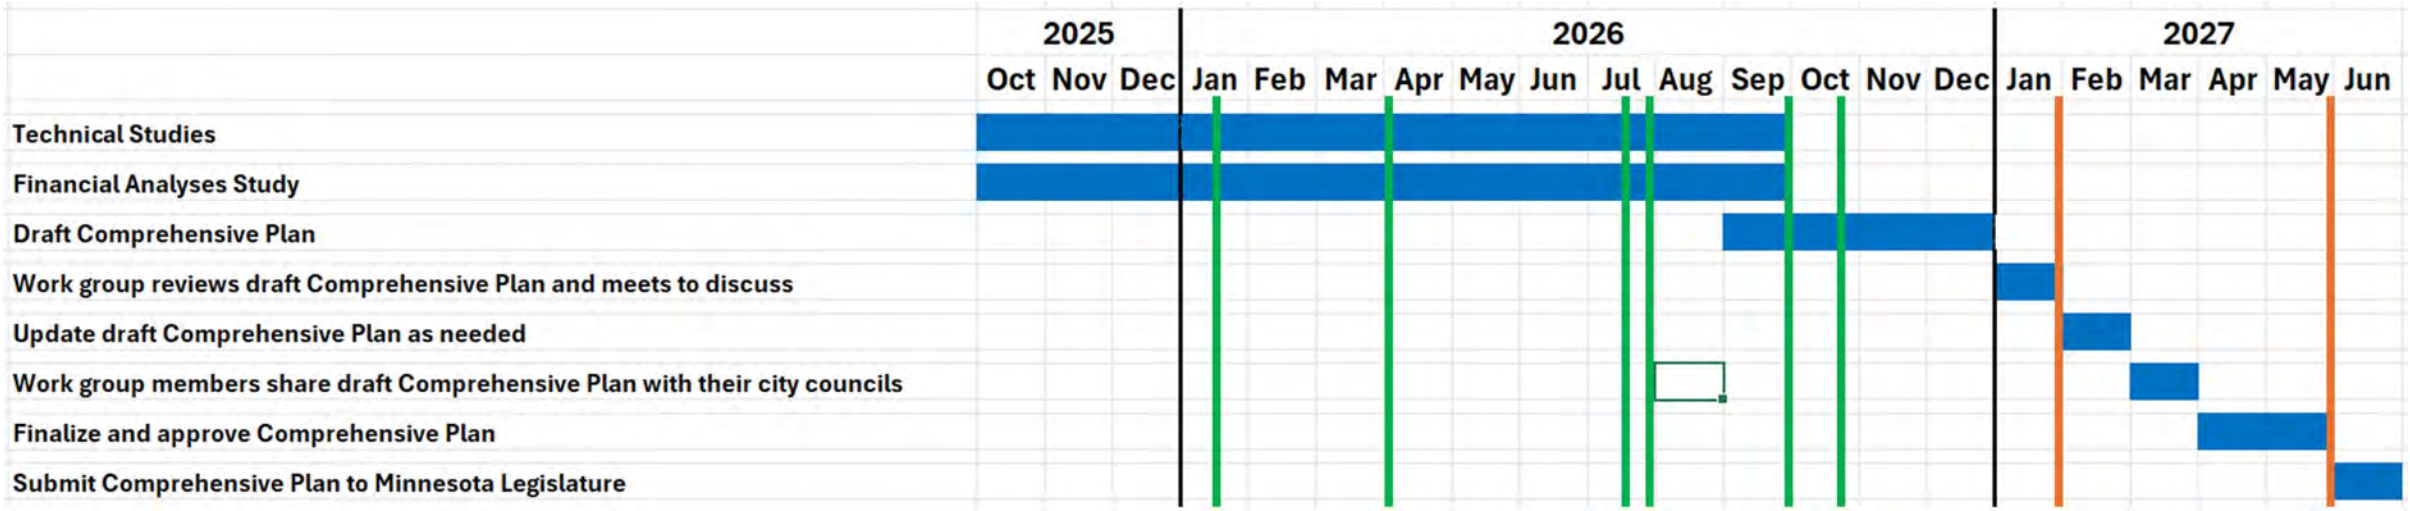
Project schedule (1/2)

Scheduled work group meeting



Project schedule (2/2)

Scheduled work group meeting
Unscheduled work group meeting



Preliminary screening survey – Early August

Survey to be sent to work group members to rank potential solutions with respect to:

- Cost
- Estimated improvements to White Bear Lake surface water elevations with respect to cost
- Water quality (lake and drinking water)
- Quantity and reliability
- Regulatory challenges, limitations, and requirements
