Notes

Local counts for 2020 and 2022 are obtained from US Census Bureau (population and households) and Minnesota Dept. of Employment and Economic Development (employment).
In cities and townships where future forecasts are greater than 400, forecasts are rounded numbers.

* Shakopee Mdewakanton Sioux Community is separate from Prior Lake and Shakopee in this tabulation.
Counts published elsewhere for Prior Lake and Shakopee may be higher as those counts include the overlapping Tribal area.

Please contact research@metc.state.mn.us with questions about these forecasts.
