Background and TIP Amendment Need

This amendment increased the total project length increase from 0.2 miles to 0.6 miles and the total project cost to match the 27-30 TIP/STIP.

Fiscal Constraint (as Required by 23 CFR 450.216)

Because this is a 2027 project and will be included in the Met Council 2027-2030 TIP and Metro District 2027-2030 STIP with updated cost and aligns its program to meet the MNDOT 2027-2030 STIP guidance, therefore fiscal constraint is maintained.

Consistency with MPO Long-Range Plan

This amendment is consistent with the Metropolitan Council Transportation Policy Plan, adopted by the Metropolitan Council on February 12, 2025.
