

CRYSTAL PIPE REPAIR UPDATE

UPCOMING CONSTRUCTION

As construction advances, crews will complete the following activities in the coming weeks:

- Underground tunneling work
- Installation of new utility infrastructure
- Connecting new pipeline segments
- Constructing underground access structures

WASTE MANAGEMENT NOTICE

If your garbage is not collected as scheduled, please contact the project hotline by phone or email (612-361-0141, Connect@CrystalPipeRepair.com). The project team will coordinate with the waste management provider to ensure service is completed as soon as possible.

ODOR NOTICE

Due to ongoing improvements at Lift Station L30, residents in the surrounding area may occasionally notice odors. These odors are expected, pose no safety concerns, and may occur intermittently beginning the week of July 20 for approximately one month.
